

DEVIL'S ADVOCATE

...The cock felt scaly and hot as Jeri slowly licked at it, she was being tentative and delicate, which didn't suit the beast at all, its big gnarled hand clamped on the back of her neck and pulled her head forward, forcing the cock between her lips and down her throat. Jeri gulped and gasped as she tried to swallow the whole of the huge thing, which in effect squeezed and sucked on it, making it bigger and harder and threatening her with oxygen starvation.

Jeri was getting distinctly dizzy as the cock was worked in and out of her mouth, no longer quite aware of exactly what was going on and sliding further under the control of the demon. The beast took full advantage of that as it quite suddenly dragged Jeri to her feet and ripped off her panties. Before Jeri could recover her senses it picked her up and dumped her on her back on top of the desk.

Her legs were dangling over the edge of the desk and now the beast grabbed them and yanked them up and apart, spreading her thighs wide apart, exposing her hot little sex to its throbbing phallus. The beast let the tip tease her pussy lips before slamming it deep into her hot tunnel...
